How easily can I work remotely from Barbados?

The government has introduced a 12-month-welcome stamp that will allow anyone to work remotely from Barbados for a 12 month period and is not intended to be a local work permit. The current visitor visa is for a 6 month period. Visitors will not be subject to local taxes. The local drivers license can be issued for a 12 month period and short term car leases can be arranged. You will be expected to have your own health insurance. The welcome stamp will extend to your family and can be applied for online.

Further details will be forwarded as soon as they are available

Tell me more about airlift in Barbados

The Grantley Adams International Airport (GAIA Inc), located about 15 minutes from the capital city Bridgetown, plays an important role as a vital centre and link for international air traffic in the Eastern Caribbean. The main passenger terminal handles in excess of 2 million passengers each year and has been upgraded to accommodate increases in traffic. The IAM Jet Centre, the landing area for private jets, located at the airport has private in-house and customs processing, controlled access and ensures that all arrivals and departures are seamless and confidential.

How accessible is health care in Barbados?

Barbados has two major hospitals, over 20 clinics and a handful of experienced medical laboratories. The island's health care sector is well developed, offering both private and public health care services. The two major Barbados hospitals are the Queen Elizabeth Hospital and Bayview Hospital.

There are also two major private medical centers – Sandy Crest on the West coast and the FMH center nearer to Bridgetown – plus several medical laboratories offering a wide range of essential testing services and facilities. There is a well established dental services sector and also a state of the art fertility clinic.
